Registration for 2011-12

If you know of families whose children will be new to Cascade Ridge in the fall, but have not yet registered, please urge them to do so as soon as possible. They should contact Jennifer Kirsch via email at kirschj@issaquah.wednet.edu or by phone @ 425-837-5503 for registration information.

Thank you for your help!

SCHOOL NEWS**Using Mylunchmoney.com**

To All Cascade Ridge Parents:

For those of you who are finding it difficult to monitor your child's lunch account balance, here is some information you will find extremely useful.

Mylunchmoney.com is a service available in our district which you may use to monitor your student's lunch account. You can use mylunchmoney.com to check your student's meal history for the last seven days, receive email notification when your child's balance goes below \$5.00, and see the balance in your child's account at the end of each day. These services are FREE!

You can also utilize mylunchmoney.com to make credit or debit card payments to your child's lunch account. When making a credit or debit card payment, there is a small fee of \$1.95 per transaction. Options are available to make payments "As You Go", or you may set up the "Smart Pay" feature which automatically funds your student's account when their balance reaches a certain limit.

To sign up, just go to the mylunchmoney.com website. You will need your student's seven-digit district identification number. You can find this number on Family Access. Or you can call the food service office at 425-837-5064 or 425-837-5060 for the id#, or for more information or assistance.

Lost and Found

Please swing by the lost and found to claim any items your child may have lost. Any items remaining in lost and found on June 16th will be donated to charity.

DISTRICT NEWS**Got science?**

The proposed [new elementary science materials](#) are on public display through June 8 at the [Administration Building](#). Because of unprecedented state budget cuts, a community coalition—including the Issaquah Schools Foundation, PTSA, and chambers of commerce—is raising funds to bridge the gap so that the curriculum can be fully implemented next fall for every kindergarten through fifth-grade student. With two weeks left in the campaign, the coalition is still about \$187,000 short of its goal (a target of \$50 per elementary student). [Learn more about how you can help.](#)
