A NOTE FROM NATALIE

Our 2010-2011 MSP Scores are in and again, Cascade Ridge has reason to be proud! We saw an increase in students making standard in many content areas and with scores in the upper 80 to mid 90 percent, our scores continue to be significantly above the state average. For a more detailed breakdown by subject and grade level, you may click on the link:

[http://reportcard.ospi.k12.wa.us/summary.aspx?
groupLevel=District&schoolId=1461&reportLevel=School&orgLinkId=1461&yrs=&year=2010-11](http://reportcard.ospi.k12.wa.us/summary.aspx?groupLevel=District&schoolId=1461&reportLevel=School&orgLinkId=1461&yrs=&year=2010-11)

If you had a 3rd, 4th or 5th grader at Cascade Ridge last year, you are able to view their MSP scores on Family Access. In addition, for last year's 3rd and 4th graders, a more detailed score report should have come home with your student this week. Middle schools will be sending home last year's 5th grader score reports.

While the MSP is just one measure of how our students are performing, it helps to confirm what we already believe— we have great teachers, great kids and great parental support here at Cascade

SCHOOL NEWS

Riding Your Bike to School

Many of our students love to ride their bikes to school on these beautiful Fall days. Before they do we ask that you and your students review the section on page 6 of "Our Rules" regarding Bicyclists and Scooters. In there it states:

BICYCLISTS AND SCOOTER RIDERS MUST:

- Be in grades 3 - 5 to ride to school.
- Wear a helmet.
- Dismount and walk bike/scooter on the school grounds for the safety of those on foot. Pedestrians have the right-of-way.
- Park and lock bike at the rack located at the school.

During arrival and dismissal times we are very congested with both car traffic and foot traffic; "Our Rules" are in place for the safety of all in our school community.

Thank you

Please Check Your Family Access

Please check your Family Access account for accuracy. Email Jennifer Kirsch at kirschj@issaquah.wednet.edu with updates. It is important we have your student's most current information on file.

Thank you!
