### SCHOOL NEWS

#### Student Pick Up At Parent Hill

We ask parents to please keep their students and siblings away from the large rock in the center of the bus loop at Parent Hill. The size of the rock coupled with the fact that it can be slippery with moss makes it unsafe to be climbed on. Please help us keep all students safe!

#### Proper PE Attire

After multiple reminders, Mr. Richey has noticed that a lot of students continue to wear their new fashion footwear to school on PE days. UGGS, Toms and other flat shoes are not appropriate for PE activities. Parents, please make sure that your student is wearing good athletic shoes on PE days.

*Challenge, Support and Celebrate Each Student*

### **FREE DENTAL SEALANT DAY**

For Kids ages 6-13 on Saturday, February 4, 2012

The Lake Washington Dental Hygienists' Society is offering a preventive dental program, **Saturday, February 4, 2012, from 9am to 2pm**. This program is in honor of National Children's Dental Health Month. We will be providing FREE dental sealants, exams, bitewing x-rays, and fluoride varnish to children who would not otherwise be able to receive this cavity-prevention treatment. Children whose teeth are unable to be sealed due to decay may have their cavities filled at a later date.

Sealants are white coatings applied to the chewing surfaces of the back teeth. They are non-toxic and protect teeth from cavities. This process is *painless*, can protect your child's teeth for 6-8 years, and is usually done in less than an hour. **Registered Dental Hygienists** from the state of Washington **and Dental Hygiene Students** will place the sealants on your child's teeth.

The cost of this program is **FREE**. This includes all of the services mentioned above, a total value of over \$300 per child.

Since enrollment for this terrific opportunity is limited, please call the dental clinic at **Lake Washington Technical College** to make an appointment. The clinic phone number is **(425)739-8130 - CALL NOW FOR AN APPOINTMENT** **Directions to the Clinic:** 11605 132<sup>nd</sup> Ave NE, Kirkland WA 98034 **From 405 Northbound:** Take Exit 18 (85<sup>th</sup> St), Take a right onto 85<sup>th</sup> St, Take a left onto 132<sup>nd</sup> Ave NE, LWTC is approximately 2 miles ahead on the left hand side. Look for LWDHS signs **From 405 Southbound:** Take Exit 20 (NE 124<sup>th</sup> St Exit), Left onto 124<sup>th</sup> St, Right onto Slater Ave NE; Left onto NE 120<sup>th</sup> St, NE 120<sup>th</sup> becomes 132<sup>nd</sup> Ave NE, Enter LWTC and watch for LWDHS signs
