Challenge, Support and Celebrate Each Student

Cascade Ridge Elementary Student Placement Process

April 5, 2012

Our staff takes the task of placement very seriously. We assure you that each grade level team (with assistance of specialists, guidance team, etc.) takes much time, effort and care in developing class rosters that result in offering all children a quality educational experience. Following are factors that are taken into consideration as class rosters are developed:

- the program needs of the child
- a balance of academic achievement levels
- behavior factors regarding each student
- social needs and the compatibility of students with others in the classroom (i.e., separating students who have not worked well together in the past)
- independent work habits and leadership skills
information provided by the teacher

Once balanced rosters are created and staffing is finalized, teachers will be assigned.

As parents you may have pertinent information about your child that you would like considered in the placement process. Examples of information staff find helpful are: "Please separate my twins, Sally and Suzie," or "Please do not place my son Joey in the same class as Fred as we are neighbors and they are together all the time," or "My child has only been in the United States one month and needs ELL support".

Examples of comments that we all agree upon are: "We want a warm, nurturing, caring environment for our child," "We want our child challenged," "We want our child in a structured classroom". We take these comments as a given; it is each teachers' responsibility to provide a nurturing, challenging, safe environment for every student. The task for the current year teachers is to develop balanced classrooms based on the knowledge they have about the students, not the teachers at the next grade level.

If you choose to provide specific information regarding your child that the teacher does not have or may be unaware of, please provide a written letter in a sealed envelope (**no e-mail will be accepted**) addressed to the Principal. Letters may be mailed to the address below or delivered to the office by parents. **WRITTEN LETTERS ARE DUE BY FRIDAY APRIL 27TH, 2012.** *Please note we do not accept letters that specify individual teachers by gender, experience level, or name.*

Thank you in advance for your understanding and support of this process and be assured we will do all we can to insure thoughtful placement of each child.

Eager Reader – Final Days!!

With just a few days left in this year's Eager Reader program, the total number of minutes read by C.R. students has exceeded 490,000! Wow! 3rd grader Arvu Peri was the top reader for the 2nd week in a row with 2,070 minutes (34.5 hours) read during week 3. Congratulations to Mrs. Jochim's 3rd grade class for reading the most total minutes so far (34,335).

This is the last week of the program, so parents, **please remember to approve all of your children's minutes by midnight Thursday, 4/26!** No minutes may be entered or approved after the cut-off. Final prizes will be awarded on Friday morning and all participants who reached the final target for their grade will be invited to an ice cream/popsicle social during recess on Friday!

Friday afternoon Principal Fowler will announce the winner of the Jamba Juice party and draw the Kindle winner. Stay tuned for the exciting results!
