### **THE PIANO-KEYBOARD CLUB BY MUSICAL MINDS**

**Description of the Class:** Kids will have the opportunity to learn to play their favorite songs and music on electric keyboards. Radio hits, movie and television themes are made so easy, that our participants will be playing them after the very first class! The club is a combination of keyboard piano lessons and a music learning workshop, which uses a clever visual method to teach the basics of music reading and piano playing. We've developed lots of learning games and activities designed to teach kids basic music reading skills and playing techniques, in ways that are fun, engaging, and stimulating. We want our students to stay motivated and continue to want to learn to play music, whether they like Taylor Swift, Bruno Mars or Beethoven. We have all the music they want.
