

Speak Easy

Level 2*

Master Public Speaking & Leadership

Isn't learning how to captivate an audience something that everyone could benefit from? Why not start at an early age when it's easiest to grasp concepts and overcome fears.

This class is all about **inspiring kids to do great things!**
And the best part is that **it is fun, too!**

Our Level 1* students will continue to practice and refine their public speaking skills as they become leaders through teamwork, peer evaluation, and persuasive speech.

Through interactive games and fun activities students will learn how to:

- *Persuade a crowd using specific tips for success.*
- *Refine their message*
- *Improvise - sometimes acting goofy is the best way to overcome fears!*
- *Team build and lead others*

The class will culminate with an interactive presentation for family and friends.

**Specifically designed for students who have completed Level 1 who want to continue to master speaking and leadership skills.*

Missed Level 1? Let us know. If space is available we will open spots specifically for level 1 students. All will be eligible for It's Debatable in the spring. Email Shawna@grasshopperenrichment.com

Grades 1-5

Cascade Ridge Elementary

Mondays after school

3:45 - 5:00 PM

Feb. 1-April 1

(no class 2/18)

\$190 per student

Grasshopper's mission is to empower youth with **life tools** so that they may have every opportunity to be successful in life and contribute their gifts to the world. At Grasshopper, we strive to make every learning experience as unique and special as each student who attends our programs. Integrated into each of our classes are important life skills that will carry each child into junior high, high school and beyond. We believe it's never too early for children to learn to apply their knowledge to the real world. **Questions?** Email shawna@grasshopperenrichment.com or call 503-662-8146
