

5th Grade Treat Trail Map

All Cascade Ridge 5th graders are invited to make their way around our beautiful community visiting the 8 Treat Stations provided by our PTSA. Please practice safe social distancing and be respectful to our fellow community members as you walk, ride, or drive from station to station. Start at #1, finish at #8, and go in any order in between.

[Have Fun and Congratulations on your 5th Grade Promotion!](#)
