

Coyote Howler

FROM YOUR PTSA PRESIDENT

Cascade Ridge PTSA has accomplished many great things this year and we have made significant positive differences in our children's experience at Cascade Ridge. This would not be possible without the ongoing and unselfish dedication of our PTSA members who continue to go above and beyond. There are so many of you and you are appreciated! Thank you to everyone who has contributed in ANY way during this school year. A special thank you goes out to those who chaired events and who served on the Board. You rock!!

We Need You!

Although the year is coming to an end and we are all excited for the hot and lazy days of summer, we are already looking ahead for planning for the beginning of our next school year. We have chair positions just waiting to be filled!! These are related to events that typically need loving care and attention during the early days and months of school. If you are interested in helping our school in any of the following areas, or if you'd like additional information about the responsibilities, please contact our VP of Volunteers, Deanne King at ddaking@yahoo.com.

- 5th Grade Fundraising Chair
- First Day Packets
- Coyote Wear
- Walkathon
- Issaquah Schools Foundation (ISF) Representative
- Volunteers for Issaquah Schools (VIS) Representative

We look forward to seeing you in the Fall. School starts **BEFORE** Labor Day this year. Fall dates to remember can be found on Page 2 of this Howler.

Welcome Back Get together,</i> 9:15 am	4

September 7: Labor Day - No School for Students or Staff

WELCOME BACK GET TOGETHER

Please join the PTSA Hospitality Committee for a get together on **Thursday, September 3rd** at **9:15 a.m.** (this is the first FULL day of school). Watch for more details this summer!

POPSICLE SOCIAL

Come join us on **Tuesday, September 1st** from **10:30 – Noon** behind the Café for our annual PTSA Popsicle Social. This event coincides with **Meet the Teacher Day**. Bring the family for popsicles and to catch up with your friends and classmates.

NOTES FROM THE NURSE

Head lice is alive and active at Cascade Ridge. It has been found in multiple grades. Please check your child's head weekly for nits or live lice.

Please pick up your student's medications from the health room on the last day of school.

The fall Vision & Hearing screening will take place on Tuesday, Sept. 29. Please mark the date and volunteer for either a morning or afternoon session. The screening cannot take place without your help.

Safe summer tips:

- Remember to apply sunscreen liberally and frequently
- Be safe around lakes and have children wear personal flotation devices when on watercraft.
- Hydrate, hydrate, hydrate—water is best!
- Ensure kids wear helmets when on bikes, skateboards and rollerblades
- Wear wrist guards when on those skateboards, wave boards and rollerblades
- Have a time limit on the amount of television and computer games your child plays. Encourage them to be outside and active!

Thank you to—

- **Toni Osotio & Kim Anderson** for serving as Art Docent Chairs this year.
- **Chrisann Penz** for chairing Field Day so expertly and making it come together so well!
- Thank you to the many volunteers who dedicated part of their day to make Field Day a big success. Some people do not realize that Field Day is more than just a fun day of activities for our kids. It is actually part of a physical education requirement and an important part of our children's school year curriculum. That makes our volunteers critical and we appreciate each and every part you played in this important event.
- Thanks to the 5th Grade Committee: **Aimee Kooley, Rochelle Juetten, Kim Moore, Judy Lunde, Vicki Adamson, Carol Schweitzer, Nancy Saturay, Kimberly Hunt, Marleis Wuehler, Connie McKune, Brooke Noone, Laura Walker, Shelli Dean, Amy Simpson, Betsy Matias.**
- Thank you dads, moms, grandparents and other special guests who came to play for Dad's Play Day. We hope to see you next year!
