## PTSA PRESIDENT'S MESSAGE

Many thanks to those of you who made time in your busy schedules to attend our General Membership meeting on Thursday morning. It was a very important meeting as we determined how to spend our excess accumulated funds. This is an important role of our entire membership as it is our duty to ensure that funds raised through the PTSA are properly appropriated and spent in a timely manner that best benefit our students and school community. For all who attended and participated in this process, I thank you for being actively engaged in our PTSA!

For those who missed the meeting, we had a very busy agenda. First Mrs. Fowler initiated our "Coffee with the Principal" portion of the meeting with review and discussion of the district's Continuous Improvement Plan (CIP) for reading. We then started a very busy meeting that included standard financial business, election of our Nominating Committee, and review of two viable options for accumulated funds spending. We heard information regarding two upcoming favorite events, our Science Fair and Festival of Cultures. Finally, we enjoyed an excellent presentation regarding burn and scald prevention in the kitchen. For more details, please see the General Membership overview article later in this Howler.

We also had a great Fine Arts Night on Friday. It was a wonderful "Night at the Museum" and all who attended enjoyed seeing the beautiful artwork of our fine and talented artists at the school. In addition, our Community Relations team provided a tasty teriyaki meal provided from our local Yoko Restaurant for all our museum patrons to enjoy. Many thanks to our Art Docent & Fine Arts Night Chairperson, Jackie Mueller and to all our wonderful Art Docents, and also to Mary Jo Webb and Lora Wendl, our Fine Arts Dinner Managers.

As you probably already realize, we continue to be a very busy organization and things don't seem to slow down; this is an indication of the important causes our membership supports throughout the whole year on behalf of all of our students. As always, we invite you to continue to engage and provide input and ideas so we will continue to focus on the right things to which our general community agrees and supports.

Many heartfelt thanks to Ann Brooks and Peggy Rodman for stepping up to chair this year's Eager Reader program. You gamely responded to the cry in last month's Howler for help from volunteers and, as a result, we will still have our long-standing and popular reading incentive program this year. We are grateful for and need more like you! Thank you!! For all, be sure to keep an eye out for more details regarding the Eager Reader program timing and plans. I know that Ann and Peggy are planning great things and a program that the kids will enjoy while they expand their reading experience.

Have a great February!

# GENERAL MEMBERSHIP MEETING RECAP

As you might already know, we had a BIG meeting on January 27<sup>th</sup> with insightful and essential discussions. If you were there, you were part of an important decision for the school and community. If you were unable to attend, here's a quick recap of what you missed.

- ⇒ We reviewed our financial information and noted that the organization continues to be on track for budget expectations and for providing great programs for the school.
- ⇒ We elected our Nominating Committee that is responsible for developing a slate of nominees for our 2011 – 2012 PTSA Board. This is a big responsibility and we appreciate the dedication and hard work of Monica Fuddy, Ingrid Olsen, Bona Park, Peggy Rodman, and Nichole Wengert. Thank you!
- ⇒ We heard proposals for two options for spending of our accumulated funds which included a new Book Room and a Reader Board for our school. Both proposals held great merit and provide improved opportunities for our kids and community, and the upfront research and information provided was key to the membership making a well-informed decision for our funds spending.
- ⇒ After listening to the proposals and having group discussion, we voted on the options. Our General Membership voted to spend the full \$30K between the two proposals where up to \$12K will be spent to purchase and install a reader board, and the remaining funds will be allocated to a new Leveled Book Room that will benefit all grades, K – 5. More to follow as we move forward with purchase of these long-lasting improvements to our school.
- ⇒ We had timely and informative updates on our upcoming and popular Science Fair from Peter Wengert. The Science Fair will be on March 24<sup>th</sup> and the website is ready for everyone to register projects and to gain helpful information regarding the event. Be sure to check it out at [www.cascaderidgeptsa.org](http://www.cascaderidgeptsa.org).
- ⇒ We also heard from Cathia Geller who provided us with information regarding our popular Festival of Cultures which is scheduled for April 15<sup>th</sup>. Take a break on tax day with some fun cultural events and experiences and be sure to look for information between now and then. We would love to have more cultures and countries represented, so be sure to contact Cathia ([cathia@cathiageller.com](mailto:cathia@cathiageller.com)) or Erin Rooney ([roon888@msn.com](mailto:roon888@msn.com)) if you'd like to host a country.
- ⇒ We closed our meeting with a great parent educational workshop of "In the Kitchen with Kids: Burn and Scald Prevention" sponsored by Safe Kids Seattle. This presentation was filled with important and helpful information that is important in keeping our family safe from burns and in treating them if they occur. Many thanks to Carolyn Blayney RN, BSN and Kathy Espey RN, BSN for an excellent program. Additional special kudos and thanks go to Alison Cathro for coordinating this great opportunity for our community.

It was a crazy busy, productive, and informative meeting, and we had an interested and engaged group. Many thanks to everyone who spent the time with us to be an important part of the process. If you'd like to join in the fun next time, mark your calendar now for the next GM meeting in April: Thursday, Apr. 21st at 8:30 am, right after student drop-off.

# PTSA NEWS

## DID YOU KNOW....

...our Site Council is specific to the needs of Cascade Ridge School and is comprised of a broad group of people that includes community/parent, school, and PTSA representatives? It's true!! Many people don't understand the purpose of the Site Council, and the best thing about it is that it has this broad perspective so issues that are important to us all can be addressed. Some current items of focus for the Site Council during this year have included update and communication of the school colors and logo, modification of class party and teacher gift policies, and Cascade Ridge's CIP and professional development as well as district initiatives.

The Site Council's purpose includes the following:

- ⇒ Provide input to help create and maintain an optimal learning environment,
- ⇒ Blend the values and perspectives of community, parents, staff, and students for effective school-wide results,
- ⇒ Foster effective communication on key issues among all stakeholders in our school,
- ⇒ Contribute to creative school-wide planning and problem solving,
- ⇒ Provide school input for the principal and superintendent on matters of district-wide interest.

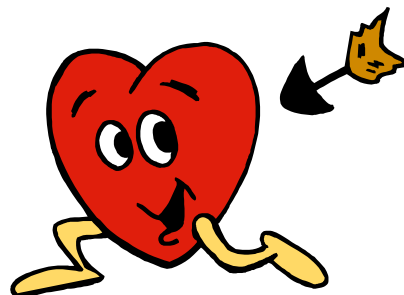

While there are specific committee members who usually serve two-year terms, community attendance and input are invited. Any community or staff member may attend a Site Council meeting. Those who are visiting and have specific items to be addressed may have input in the meeting by filling out a site council action request.

The Site Council often invites guests to speak at the meetings about current items of interest in the community. Each monthly meeting runs from 6:00 until 7:30 pm and is at Cascade Ridge in the library. Everyone is invited to join and the following meeting dates and guest speakers are planned for the rest of the school year.

March 7 – Issaquah School District Guest: Emilie Hard, Executive Director of Teaching and Learning  
April 11  
May 2 – Issaquah School District Guest: Jake Kuper, Chief of Finance and Operations  
June 6 (tentative)

We invite attendance, especially when we have invited guests, so if it works in your schedule and you're interested in knowing more, mark your calendar!

In the next school year, we will also be seeking two new parents to replace current members who will be ending their term. For more information, visit: <http://www.cascaderidge.issaquah.wednet.edu/council.asp>

## **HELP CONTINUE TO MAKE A DIFFERENCE! IT'S NEVER TOO LATE TO JOIN PTSA!**

Did you know that even if you missed the sign-up period at the beginning of school, you are always welcome to join our Cascade Ridge PTSA? If you have not yet joined and are not sure if you should, please take a look at the notes below. We hope this will make the decision easy for you to become a direct part of a continued success story in the lives of our children at school.

**What is PTSA?** The PTSA is a powerful voice for all children. Your membership adds to this voice when it comes to advocating for the education and well-being of EVERY child. When you join Cascade Ridge's PTSA, you join the Washington State PTA. This group speaks on behalf of children and youth before government bodies and other organizations that make decisions affecting children.

**Why should I join Cascade Ridge PTSA?** Joining Cascade Ridge PTSA makes you a member of this organization and gives you a voice in improving the education, safety, and health of your child on a local and national level. Check it out at [http://www.pta.org/pta\\_member\\_benefits.asp](http://www.pta.org/pta_member_benefits.asp).

**Do I have to commit my time or do something if I join?** While our PTSA appreciates all volunteer efforts and attendance at general meetings and PTSA events, neither of these is required of our members. Paying for your Cascade Ridge PTSA membership simply shows your support of this organization and your advocacy of our community's children.

**Where does the money for joining PTSA go?** Most of the money goes directly back to the Washington State PTA in supporting the goals of this organization. They have committees working to secure adequate laws for the care and protection of our children and youth. They also work to bring the home and school into closer relations. Additionally, part of your membership fee pays for the Cascade Ridge PTSA Membership directory that every member receives.

Become a member today! It's electronic, easy, and quick. Go to our [website](#) and click the "Join!" link at the upper left-hand corner of the main page. If you have questions, please contact Tina Yerges, PTSA President, [tinayerges@msn.com](mailto:tinayerges@msn.com) or Stephanie Scott, PTSA Membership Chair, [stephoscott@gmail.com](mailto:stephoscott@gmail.com).

## **QFC WE THANK YOU!**

Did you know you that we recently received hundreds of dollars worth of educational and recreational materials for our school, mostly through Labels for Education donations made by QFC? The school's fundraising committee would like to thank Julie Rose, Klahanie QFC's store manager, and her team for donating over 20,000 points in the last few years. Those large donations, combined with our school families' donations led to us being able to order the following materials for our school:

- 9 - Educational DVD sets including topics on the Arctic/Antarctic, the human body and skeleton, plants, ponds and rivers, rocks and minerals, weather, and butterflies and moths,
- 6 - "Brain Boogie" CD sets,
- 10 - new balls in three different sizes,
- 1 - Lemon Twist Ball Hoops game.

QFC, we thank you for your partnership in our children's education and recreational. Recess is now more fun and our teachers are able to supplement their science units with some new resource materials.

On behalf of our almost 600 students and their families, we thank you.

Labels for Education products can be purchased at QFC and donated in our school's foyer.

## FESTIVAL OF CULTURES

Come spend a night of adventure traversing around the world at the Cascade Ridge Annual Festival of Cultures! Explore new lands. Touch and interact with exotic artifacts. Taste new and exciting cuisine. Dream of all the far off lands you will visit in-person someday!

The Festival of Cultures is a creative and stimulating event for our students. Our event this year will feature the wonderful booths sponsored and run by our generous host families, exciting entertainment and an interactive game to help our children get the most from the evening. We are currently seeking host families to sponsor country booths. Sponsorship involves creating an experience around the country you are representing. This can be through facts, artifacts, games, food, dance, song...whatever you feel best represents your host country. You don't have to be from the country to represent it – anyone can help our Cascade Ridge kids learn about new, interesting and fun worlds outside our own.

If you are interesting in hosting a booth, please contact Erin Rooney [roon888@msn.com](mailto:roon888@msn.com) or Cathia Geller [cathia@cathiageller.com](mailto:cathia@cathiageller.com) and we will get you started.

We look forward to seeing everyone at another fabulous night of fun and adventure!

## SEEKING OUTSTANDING VOLUNTEERS FOR CASCADE RIDGE *GOLDEN ACORN AWARDS* 2011

The Golden Acorn is a PTSA award given every year to outstanding volunteers for their service to our school and community. The Golden Acorn specifically recognizes the contributions individuals have made at Cascade Ridge Elementary and within our local community. This is an excellent way to honor our most dedicated volunteers.

Recipients of the Golden Acorn Award are given a gold pin in the shape of an acorn and a special certificate. In addition, their name is added to the Golden Acorn plaque displayed in the front hall of our school. We also contribute \$65.00 in the person's name to the Washington State PTA Financial Grant Foundation. This foundation provides grants to freshman students entering post-secondary education.

Golden Acorn Award recipients from all over the Issaquah School District also will be honored at a special awards ceremony in March.

Please help us select outstanding volunteers from the Cascade Ridge community to receive a Golden Acorn Award this year by filling out the [Nomination form](#). Forms are available at the school by the PTSA box, at the PTSA meeting on January 27th, or on our website. The PTSA Golden Acorn Awards Committee will review the nomination forms received and make the final selections. Please feel free to contact Deanne King, [ddaking@yahoo.com](mailto:ddaking@yahoo.com) with any questions.

Nomination forms must be turned into PTSA box or emailed to Deanne King no later than February 11<sup>th</sup>.

### **READING TIP**

#### **Variety keeps your child interested in reading**

To keep independent reading interesting remember to read a variety of books, both fiction and nonfiction. To help your children get the most out of reading have them:

-  **Predict** the next action in the story.
-  **Take a break** to summarize and clarify what has happened so far.
-  **Continue** to ask questions while reading.
-  **Visualize** the characters setting and events.
-  **Make connections** to your own experiences.
-  **Read** with a friend or a pet for fun.

# FUNDRAISING

## THANK YOU CASCADE RIDGE FAMILIES FOR A WILDLY SUCCESSFUL BOOK FAIR!!!

Cascade Ridge had another successful Book Fair in December. Thanks to our wonderful community of families, we sold approximately **1,675 books** and made a profit of \$2,380 for our school. It was so fun to see the excitement that the kids had for the fair and to see the lines of students and parents waiting to buy their books each afternoon and evening. Thanks to your support of this Fair, we were also able to gift the Library with a generous donation of Scholastic dollars with which to buy books that *all* our students can benefit from! Thank you!

Book Fair week kicked off with our "Here's to Our Heroes" drawing and writing contest. After we received the beautiful hero artwork from the students, Ann Brooks posted them along the halls of the school. Each day of the fair, Ann went into the lunch room and drew names from each grade for book fair gift certificates. The kids were very excited about this daily event! Carol Schweitzer kicked off the teacher "sneak peek" so the teachers could preview books and request ones for their individual classrooms. I know there were many thankful teachers out there!

I would like to thank my amazing co-chair, **Hilary Brickman**. Being new to both the school and chairing the Book Fair, I had no idea where to even start. I was so fortunate that Hilary agreed to co-chair. Not only is she extremely organized, but she has boundless energy and creativity to which I'm eternally grateful. Thanks Hilary!

Next, a big THANK YOU to our wonderful team comprised of: **Ann Brooks, Jaycee Cooper, Bona Park and Carol Schweitzer**. Hilary and I could not have pulled this off without each of your individual talents, help, enthusiasm and expertise.

I would also like to thank our librarian, **Zana Moore**, for getting the kids excited about this event and letting us "take over" her space for a week.

In addition, thanks go to **Molly Baker** for taking time to provide cashier training and for being our overall "expert" in all things financial.

And finally, we could not have had such a successful event without ALL the Book Fair cashiers, floaters, and set-up and tear-down helpers. Thanks go to the following:

**Kathy Boll, Cindy Cheung, Brooke Daggett, Connie Dardis, Lynn Faciane, Jaime Foreman, Laura Fortner, Pam Gross, Kimberly Hunt, Deanne King, Valerie Klose, Marni Kurtz, Samantha Ledet, Kirsten Luehmann, Krystl McCandlish, Sheela Pai, Chrisann Penz, Ganga Pingili, Jeannine Regis, Mary Richardson, Erin Rooney, Micaela Russo, Susan Sansing, Nga Selbig, Tamera Strandwold, Diana Verrue, Lora Wendl, Fern Wilson, and Tina Yerges.**
