**ATTENTION PARENTS: Class are for all skill levels with no previous experience required.**

All classes are held on the Cascade Ridge campus. Before school class will dismiss students to their regular school classes. Student attending afterschool classes go directly to their enrichment class following their regular school day. Please pick up your students at the class location. Parents are welcome in the classes at any time. Coyote Club participants will be walked to their location by our instructor at the conclusion of class. There are no classes if there is no school (i.e. holidays, teacher in-service days, or snow). If school is released early due to weather, all afterschool activities will be cancelled. Tuition is 100% refundable (minus \$10 for administration costs) if you call to cancel **before the second class**.

**After the registration deadline, please call before sending your child to a class they are not registered for, as the class may have been cancelled or rescheduled.**

\$\$ Any student on free or reduced lunch qualifies for a scholarship. Scholarships are for a 25% reduced tuition on one class per quarter. Please call 425-449-9443 for details.

**Cascade Ridge Elementary - Class Descriptions**

**ART -Anyone can be an Artist with twice the Clay – Mr. Crumpacker ALL NEW CURRICULUM (1.5 HOUR CLASS)**

The ability to create art is intrinsic. Everyone at any age can learn about and create fine art and communicate through visual art. Using drawing, painting and sculpture, students will explore a broad range of techniques, materials, and ideas that are formative and provide lifelong lessons in art. Experiences include drawing three dimensional objects, figures and self-portraits, and abstract approaches in drawing using a variety of painting mediums, collage, and sculpture. Students are encouraged to communicate their ideas and expand on them through visual media and above all to have fun and challenge themselves. Art history is discussed through books and printed materials. Mr Crumpacker has a Masters of Fine Arts from the University of Washington, he is a professional Artist and has been teaching art to students of all ages for 19 years. Every skill level is welcome. All art materials will be supplied.

**Karate – Sensei Creech Teaching Team (1.5 HOUR CLASS)**

Karate is a Japanese traditional form of martial arts which offers many benefits for the youth and adult. Foremost are exposure to the discipline of the sport, values such as fair play, respect for others as well as yourself, integrity, and character. Students are taught fundamentals to start the program and can advance to more difficult techniques and principles. Students who qualify for promotion to the next belt level can advance to match their skills. Students also learn leadership by leading particular activities as they gain skills. The teaching team is involved in ongoing training with Sensei Creech, a retired YMCA professional. He currently runs a karate program that teaches 200+ elementary school children in the area. The purchase of uniforms and promotions are encouraged yet optional. Information on purchasing uniforms and belt testing fees will be provided at the first class.

**LEGO® – JR Engineers – Leap4kidz**

LEGO Jr Engineers class offers an integrated STEM curriculum including science, technology, engineering, math, as well as history, language arts, and team decision making to children using LEGO® bricks and motors. This is a hands-on class where students will build and design with Legos and receive an introduction to levers, gears, pulleys, and more using batteries and motors to bring their creations to life!

**MUSIC - Keiki Music Group Keyboard program – Musicianship development**

Through a variety of activities in each class the students become independent musicians. In addition to playing the keyboards, the children will be involved in drumming and dance to nurture their rhythmic development, singing to nurture their tonal development, and echoing patterns to nurture their aural development. This program will prepare student for future piano study as well as other musical adventures the future holds! Class size limited to 8 students. See more class information on our website: [EastsideEnrichment.org](http://EastsideEnrichment.org)

**DANCE! – Matthew Gregg**

This active class will introduce rhythm, sounds, and the fun moves of contemporary Hip Hop. This program also uses dance as a tool to teach children self-confidence. The class will culminate in a music video, therefore permission for photographs is required. Award winning choreographer, dancer, and father of a 2nd grader, Matthew Gregg keeps his students energized and entertained.

**RUNNING CLUB – Instructor: TBD**

Learn the fun of a run in a supportive club. Students learn the rewards of good fitness and set their own goals in this encouraging environment. It is a progressive and motivational program where students will also learn the skills that support lifelong fitness. Students must provide their own shoes appropriate for outdoor activities.
