

Create with Code!

For Girls and Boys

WINTER SESSION: STEM

Cascade Ridge Elementary

In this after-school Code Club, students practice the core concepts of computer science by designing and creating video games and animations. With new projects assigned per experience level at every class, kids express their creativity and advance as coders and problem solvers. Our progressive curriculum enables them to move to the next level after just 1-2 sessions. All Levels Welcome - Beginner thru Advanced!

WHEN: Jan 17 - March 14

(no class 2/21)

1:30 - 3:00pm

WHERE: Portable 3

FEE: \$240/student

Grades 2-4

Wednesdays
