

Volunteering 2023-24

Welcome Coyotes!

As we start off this new year and look forward to all of the fun activities we have planned, we will embrace new traditions and reintroduce some favorite programs and events.

Please take a moment to see if you have a little bit of spare time. Anyone can volunteer! It can be at home, in the classroom, or at an event.

Action Items for volunteering at Cascade Ridge:

- Please fill out our volunteer contact form and choose your level of volunteer activity.
- If you plan on volunteering in the school during school hours, please fill out the Issaquah School District's volunteer application.
- If you have any questions, let us know at volunteers@cascaderidgepts.org
