STAFF APPRECIATION WEEK RECAP

Thank you to everyone that participated in Staff Appreciation Week in early May. In addition to the amazing notes and treats from the students, the entire staff was able to enjoy a treat in the Staff Lounge each day hosted by the PTSA. On Monday they were surprised with donuts and pastries, Tuesday we told them they were "All That and a Bag of Chips". Wednesday was fresh fruit day for our "One and a Melon" staff. On Thursday the 5th grade treated them to a delicious Cinco de Mayo lunch and on Friday it was all about letting them know they were "SODA Bomb" with cold drinks like Classic coke and flavored waters and juices.

WALK-A-THON 2017-18 COMMITTEE

We are looking for a group of volunteers to help plan our 2017-2018 Walk-A-Thon fundraiser. As you all know, this is our only major fundraising event of the school year and all the funds raised go right back into Cascade Ridge. This committee is chaired by our PTSA Fundraising Co-VPs Angela Fischer and Holly Briscoe. The committee will work together to come up with the theme and activities for the event that will be held at the end of September. In order to make the Walk-A-Thon a success and fun for the whole community the planning process must start over the summer. We will plan to meet as a group approximately 4 times throughout the summer. Once school starts we will continue to meet more regularly as the event approaches. **WE NEED YOU** and your ideas! VOLUNTEER SPOTLIGHT

As the year comes to an end, we would like to take the opportunity to shine the spotlight on **Veena Rao and Jyot Kumar.** For the past 2 years, once every week, Veena and Jyot have been coaching the Math Club students who are currently in 5th grade. The guidance provided by Veena and Jyot has made an important contribution to the development of these young minds.

In addition to the weekly before school classes, Veena and Jyot have made time over the weekends to prepare the teams for various competitions including, Math is Cool, Math Olympiad, Math Championship and Math Bowl. Each one of these competitions requires students to work in teams. It is easy to form strong teams by grouping students of similar abilities together, but Veena and Jyot have looked beyond that and helped the students come together in a way they can not only learn from each other but also encourage one another to perform better. As a result not only did the teams do extremely well, earning them various medals and plaques, but the students have formed friendships that they will value as they begin their next level of education in Middle School.

Thank you Veena and Jyot for your exemplary dedication to the Math Club!!

5th Grade was represented by **Haolin Cong, Vasudha Ravivarma, Rayn Ramzi and Ronak Kothari** who all performed really well with **Haolin** being tied for 12th place with 2 other students! Way to go team!

Not only the 5th graders, but our 4th grade students were also invited to the masters. Representing the 4th grade of Cascade Ridge were, **Austin Wang, Richard Yang and Nevin Tamilselvan.** Good job boys!

We applaud your persistence, hard work and courage representing CRE to the Masters. It was indeed a battle among the top Math teams of Washington. All our students are winners for undertaking this challenge!

Our sincerest thanks to **ALL coaches and parents** who drove the students to the venue and for encouraging them every step of the way. All Math Club students and coaches celebrated their hard work on May 22 with an end of the year celebration in the Coyote Café!

The chair for the next school year is one of the amazing coaches **Reham Shehata** and I am excited to pass on the baton to Reham. A huge thanks to all parents, students and coaches with whom I had the pleasure of working in the past 3 years.

4th Grade Coaches Needed for 2017-18

Do you like numbers? Do you want to share your love for Math with young minds and at times watch the young minds calculate at lightning speed? Would you like to be part of the Math Club Team? The present 4th grade coaches will be moving on as the 5th grade coaches. The math club is only successful if we have parents who volunteer to coach. This is a weekly commitment. Classes start in October. If interested, please contact the Math Club chair for next year: **Reham Shehata** at mathclub@cascaderidgeptsa.org

PROGRAMS RECAP

It has been my (Carolyn Roberts) pleasure to serve as the VP of Programs for the Cascade Ridge PTSA for the last two years. I am passing the torch to the capable hands of Darlene Baker and Viji Vasu. I am certain they will continue to strive to bring fun and educational events to our school to help our kids learn to love learning! We hope that you have enjoyed the many programs that the PTSA has sponsored throughout the year such as:

- Eager Reader
- Holiday Gift Barn
- Reflections
- Science Fair
- Spelling Bee
- Math Club
- Engineering Night

Last, but not least, the Art Docent Program is also funded by the PTSA. Leah Chambers has this to say about the program and her team:

This year's Art Docent Program was hugely successful and made possible by the dedicated art docent volunteers that taught art history, concepts, and techniques and inspired students throughout the school to create amazing pieces of art. We had fun creating Giacometti inspired sculptures, water color resist paintings, yarn paintings, scratch art, clay projects and many more. We learned about positive and negative space, perspective, and other art elements, as well as famous (and not so famous) artists. A very special thank you to Elana Clayton who worked tirelessly throughout the year to make sure that clay and glazes were stocked and every clay project was carefully fired (twice) in a timely manner. The Art Docent Program wouldn't be possible without the support of all the volunteers. Thank you Carrie Lam, Pamela Kortrey, Fan Yang, Darlene Baker, Viji Vasu, Paula Koransky, Neha Mathur, Anju, Ramya, Camille Jones, Betty Gilstrap, Vicky Thind, Swati Jain, Ripal Shah, Teresa Kovach, Nathalie Fusaro, Bernadett, Budaine Galantai, Wahida (Luna) Arif, Nathalie Fusaro, Lindsay Lang, Amy Ketcham, Jessica Tran, Marissa Shulz, Nancy Chen, Marloes MacRae-Oomes, Zak Martinkosky, Sophie Huang, Kirsten Vienneau, and Amanda Lumbard

COMMUNITY RELATIONS RECAP

It has been a pleasure serving as your PTSA Community Relations VP for the past two years. I will be passing the role on the Paula Koransky for the 2017-18 school year and she has some very exciting plans in the works for our Cascade Ridge Community.

This year I continued to focus on welcoming our new Cascade Ridge families. Whether it is the start of a new school year or you join halfway though, it is not easy to be the new kid and new family at a school. I personally have moved my family twice in the middle of a school year so I have a soft spot for newbies. I hope that those who were in this position this year felt welcomed. PTSA hosted the New Family Playdate back in August just days before the start of the school year. Families were invited to the school playground where we played a few ice breaker games, went on a scavenger hunt around the school and made connections with other families both new and old. We also hosted a New Family Breakfast on the first day back after the Holiday Break. New families gathered in the Café for donuts and juice where they were able to chat, ask questions, see pictures of their teachers and meet a friendly face before they ventured off to class. Watch for these events and more again next year and if you know new families please encourage them to attend. It is our goal to make everyone feel welcomed at Cascade Ridge!

In addition to the above we continued our Family Movie Nights this year. In November families were invited to watch Jungle Book in the Café. The second movie night was held in February and we showed The Secret Life of Pets. Students came in their comfy clothes and hung with their friends while watching the movies and enjoying pizza and treats. We plan to continue these popular events next year.

Some of the other events that PTSA Community Relations headed up in the 2016-2017 school year include:

- Back to School Popsicle Social
- Coffee with the Principal
- Talent Show
- Pastries with the PTSA
- Staff Appreciation Week

If you are interested in being involved with the Community Relations events please contact Paula Koransky at paulakoransky@me.com. None of this is possible without the support and help from our amazing volunteers!

COME OUT AND PLAY!

Don't forget to join your student(s) on the playground throughout the school year! On the first Friday of each month, we invite all Dads (Moms, grandparents or other special guests too) to join us on the playground during recess. The kids love to see their loved ones during the school day. Visitors sign in at the front office, get a visitor's badge and then join your student outside for recess! Please remember to get your Washington State Patrol Form filled out. This must be turned in before you can attend a play date! Forms can be found in the office or online on the school website under Quick Links. A new one needs to be filled out every year. Upcoming dates are...
