

Calling all  
scientists!

# Cascade Ridge Virtual Science Week

March 22nd-26th

Cascade Ridge PTSA is celebrating science with a week full of optional hands-on activities to explore and discover the wonders of our world. PTSA will have a **Super Science kit** for each student, available for pick up at the materials distribution on **March 10th**. Kits include science experiments, science tools and some fun activities to do at home! Kits may be picked up **March 11th** and **12th** in front of the office.

**Wednesday, March 24th** the Pacific Science Center is presenting a special virtual assembly for Cascade Ridge students, Radical Reactions at 2pm. **[Sign up here for the Zoom link.](#)**

Wednesday is also a **Spirit Day!** Dress up as your favorite scientist and post pictures to the [Cascade Ridge padlet.](#)

Monday

Tuesday

Wednesday

Thursday

Friday

## Space Science

[Watch the Mars Rover Landing.](#)

## Physics

Make a flashlight from the CRE Science Kit.

[More fun experiment ideas](#)

## Chemistry

Make elephant toothpaste from the CRE Science Kit.

Pacific Science Center Assembly

Spirit Day!

## Biology

[Outdoor Science Scavenger Hunt](#)

## Earth

[Learning about the Earth science experiment.](#)
